

**REMARKS**

In the Office Action dated February 16, 2005, the Examiner examined claims 1-31, issued a restriction requirement and identified two inventions.

Applicants hereby elect, without traverse, to prosecute the invention of Group I (which includes claims 11-22 identified by the Examiner). Claims 1-10 and 23-31 from non-elected Group II are canceled from the application pending the filing of a divisional application.

New claims 32-37, also directed to Group I, have been added. Thus, Claims 11-22 and 32-37 are now pending in the application.

In view of the foregoing, Applicants respectfully submit that the application is in condition for favorable action and allowance.

Respectfully submitted,  
JENKENS & GILCHRIST,  
A Professional Corporation
